

Intercultural Learning - ICL @ School

a training for teachers and headmasters of upper secondary schools

The [European Federation for Intercultural Learning](#), the [European Schools Heads Association](#),
and the [International Association for Intercultural Education](#),
whose expertise combines non-formal and formal learning environments to foster
intercultural competences, jointly promote an innovative 3-day course based on
experiential learning methods to make teachers:

- ❖ aware and able to present their own intercultural experiences and enhance their intercultural / global competences
- ❖ able to link intercultural education theories to observed behaviors
- ❖ aware of mobility opportunities for their students and how to valorize them
- ❖ able to start assessing intercultural competences of pupils
- ❖ empowered to implement the whole school approach linked to intercultural learning in a systemic approach
- ❖ able to navigate online existing resources
- ❖ able to create modules on intercultural learning, linked to specific curricula and cross-circular activities

WHEN: from the 1st to the 4th July 2020 (including arrival & departure)

WHERE: Krakow, Poland
